Proposed subject: WORMHOLE 1.1

Do wormholes exist?
What exactly is a wormhole?
What happens if you enter a wormhole?
What are wormholes and what do they do?
Can humans create wormholes?

Proposed subject is part of 'Amurtariti*' initiatives

*A perceptible exploration of metaphorical abstraction, an exploration of inward periphery synchronized with the outward fragments, through time and space, experimenting, improvising, creating new and unpredictable cycles of thoughts and perceptions, providing experimental possibilities to experience the obscured desires for the beauty of artistic seduction.'

Cyber Park | A Virtual Summit for Post-Truth Symbiosis: Cyber Park Virtual Summit is an international research and exchange platform for glocal post-conceptual practice around the cyber-culture in a virtual model. Cyber Park is dynamic and also fluid by the principal nature that allows plural perspective, conceptual temporality, post-continuity, the culture of pixelations, the notion of cyber interruptions, and also questioning the forms and traditional relationship with fore and background. It is an open-source initiative in collaboration with Tracing A City.
